

Green Team Star of the Week

Congratulations to Ethan for being our Green Star of the Week! Ethan's favorite sport is dirt bike riding. When he grows up, he wants to be an artist, biologist, or a geologist.

Poland Community School Happenings:

Congratulations to Gavin Hart and Gage McBean for getting Student of the Month awards!

JANUARY 12, 2018

3rd Grade Learning

Reading

Students worked on rereading to clarify and find supporting details in their informational books.

Math

This week we reviewed area and perimeter. We played the Area and Perimeter game and reviewed strategies to find these measurements.

Writing/Spelling/Cursive

In writing, students began their fairy tale postcards.

In cursive, we worked on reviewing tow truck letters.

Our next spelling words have -ur and -ir in them.

Science

Students completed a Blizzard STEM project this week. Groups needed to be engineers and create a house that could withstand snow and wind. Please check in with your child about their group's results!
