

JANUARY 19, 2018

3rd Grade Learning

Students collaborated on building a four-walled structure that could stand up to wind (a fan) and snow.

Reading

Students worked on close reading and finding text evidence that supports their thinking.

Math

We will be taking our Unit 4 Math Assessment on Monday, January 22nd. Our next unit focuses on fractions and multiplication strategies.

Writing/Spelling/Cursive

In writing, students began their fairy tale maps and jigsaw puzzles.

In cursive, we worked on cursive letter m.

We will be having our spelling test on -ir and -ur words on Monday. Our next word list explores suffixes -er and -est.

Science

Students learned about the water cycle and meteorology.
