JANUARY 26, 2018

3rd Grade Learning

Congratulations to Gage, our Green Team Star of the Week! His favorite color is green. Gage's hobbies include eating and building with Legos.

Reading

Students worked on identifying and using text features, defining vocabulary in context, and inferring.

Math

We will review dividing circles into fractional parts. Students will be introduced to a hands-on tool called fraction circles.

Writing/Spelling/Cursive

In writing, we completed their fairy tale pieces for their envelope books. Our next unit focuses on informational writing.

We will be having our spelling test on -er and -est suffixes on Monday due to the snow day. Our next word list explores contractions.

Science

Students learned about weather tools, wind, and clouds. Next week, we will investigate rain and storms.

Poland Community School

NWEA Make-up Testing:

Students who did not complete the NWEA math and reading tests will finish them up at the start of next week.

The students worked hard to do their best. Test results will be sent home soon. I am very proud of them!

CLASS LIST FOR OUR VALENTINE EXCHANGE ON 2/14:

- | | |
|--------------|-----------|
| Adilynne | Benjamin |
| Boden | Cale |
| Danielle | David |
| Ethan | Gage |
| Garrett | Gavin H. |
| Gavin V. | Isabella |
| Karlee | Kyle |
| Madeline | Max |
| Payton | Phoebe |
| Zoey | Mrs. Shaw |
| Ms. Eldridge | |
