Ms. Eldridge's Third Grade
Room 172 Campers
2/15/19

Writing- Students continued to work on editing, revising, and publishing their fractured fairy tales.

Reading- Students are working on building their reading stamina with informational books and finding topics that interest them. After break, we will pull out information by using a boxes and bullets strategy in our reading notebooks.

Spelling- Our word study after break focuses on Consonant blends: ch, -tch.

Science- Students did an amazing job on their Water Cycle comics. After break, we will learn about winds and storms.

Math- We played a new multiplication game called Salute! and used number grids and fact triangles to practice multiplication facts and find missing factors.

Cursive- We learned all of the lowercase cursive letters, including x, q, and z this past week. After vacation, we will review uppercase letters in cursive and begin to write most things in cursive.

Students had a choice of three activities for our outdoor fun at Healthy Heart Day. Some of the stations they chose from were a Winter Hike, Sledding, Snow Kickball, Hula Hoop Relay, Snow Play, Sled Pull, and Icicle Tag. What a wonderful way to end the week!

Thank you to Jen Stanford and Erica Bosse for helping out with Snow Play and Sled Pull!
