

FEBRUARY 2, 2018

## 3rd Grade Learning

### Reading

Students worked on using informational text to summarize and support their answers.

### Math

Students used fraction circles to review and play a new game called Fraction Memory to compare fractions.

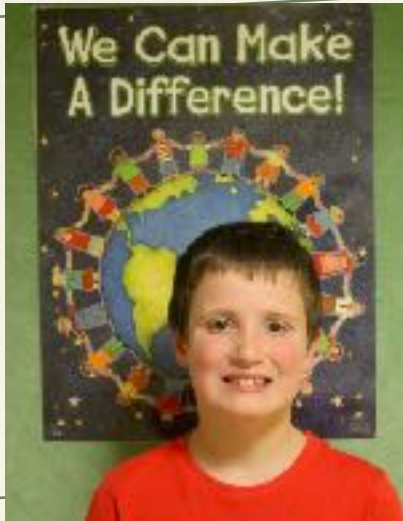

### Writing/Spelling/Cursive

In writing, we began on informational unit by writing about expert topics. Students used boxes and bullets to organize their chapters.

We learned about contractions this week. Next week, we will work on -oy and oi words.

### Science

Students created storm safety tip posters with partners and shared their learning. They also graphed the weather for January.

Congratulations to Gavin H., our Green Team Star of the Week!

Poland Community School

| Payton       | Phoebe    |
| Zoey         | Mrs. Shaw |
| Ms. Eldridge |           |

#### Valentine Holder Ideas

Use a cereal box, paper or plastic plates, or reuse an empty container to make a holder for your Valentines. See below for some possible ideas. Please make sure your holder has your name on it.
