FEBRUARY 9, 2018

3rd Grade Learning

Reading

Students worked on research club reading and questions.

Math

Students reviewed the multiplication strategies: adding a group and subtracting a group. They also worked on using the doubling strategy to solve multiplication facts.

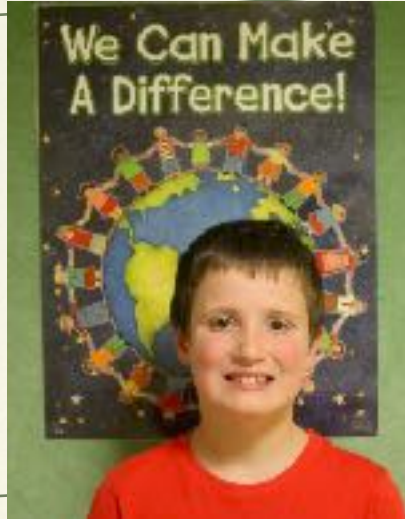

Writing/Spelling/Cursive

In writing, we worked on creating a strong table of contents and planning our animal research chapters using boxes and bullets.

We will have a spelling review and spelling bee next week.

Science

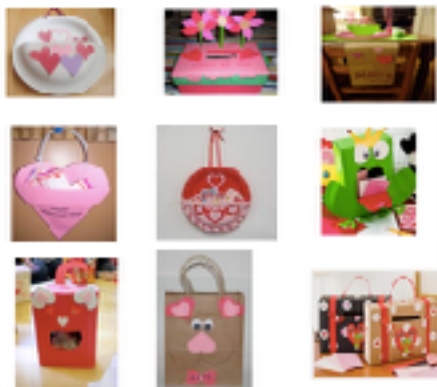

Students learned about lightning and thunderstorms. Next week, we will learn about tornadoes and hurricanes.

Congratulations to Gavin H., our Green Team Star of the Week! His hobbies are baseball and swimming. When he grows up, he wants to be a police officer.

Valentine holder examples:

Valentine Holder Ideas
Use a cereal box, paper or plastic plate, or reuse an empty container to make a holder for your Valentines. See below for some possible ideas. Please make sure your holder has your name on it.
