MARCH 30, 2018

## 3rd Grade Learning

Congratulations to Kyle, our most recent Green Star of the Week! When he grows up, he wants to be an engineer. His favorite foods are pizza and watermelon.

### Reading

Students practiced reading passages and comparing them by pulling out details.

### Math

Students completed their Unit 6 Cumulative Assessment this week. We have been practicing math test-taking strategies to get ready for MEAs next week.

### Writing and Cursive

In writing, students worked on language and writing questions.

### Spelling

No spelling next week.

### Social Studies

#### Poland Town Office Visit

We will walk over and tour the town office, meet Poland's town manager, and learn about our town's government on Thursday, April 5th from 1:15-1:45 pm.

### Our first visit to Ricker Memorial Library:
