

MARCH 9, 2018

3rd Grade Learning

Congratulations to Max, our most recent Green Star of the Week! When he grows up, he wants to be an astronaut. Max will be moving to Lincoln this month. We will miss him, but wish him all the best at his new school!

Reading

Our next reading unit focuses on Tall Tales. Students will explore the funny exaggerations in these American Folktales.

Math

Students completed their Unit 5 tests. Unit 6 works on more operations and strategies for subtraction, multiplication, and division.

Writing and Cursive

In writing, students are beginning to type up their informational books.

Students are reviewing upper and lowercase cursive letters.

Spelling

No spelling words this week.

Social Studies

We will be learning about our town government, including the various departments, leaders, groups, and their roles in running our community.

Specials:

Monday- PE
