

APRIL 13, 2018

3rd Grade Learning

Congratulations to Payton, our most recent Green Star of the Week! Her favorite sport is track. When she grows up, she wants to be a teacher.

Reading

We read about the tall tale characters, Bess Call and Pecos Bill this week. After break, we will finish our tall tale study with Slue Foot Sue, John Henry, Annie Christmas, and Davy Crockett.

Math

Unit 7 starts with a look at liquid measurements and number stories. Our next focus will be on fraction number lines and comparing fractions.

Writing and Cursive

In writing, students will publish their informational chapter books and begin an opinion writing unit.

Spelling

Our spelling words after break focus on the consonant blends spr, shr, and scr.

Social Studies

Students compared rules versus laws this week, and explored the responsibilities of the different town departments.

Students of the Month: Phoebe and Adilynne
