Thanksgiving Break

11/27 Thanksgiving
Vacation Reading and
Fact Challenge due

12/1 Report cards go
home

12/7 Panther Pride
Assembly 9:30 am

Thanksgiving Break Reading and Fact Challenge

Here is an opportunity to eat lunch with Ms. Eldridge!

Goal:

90 minutes of reading

60 minutes of math multiplication fact practice

Dear Parents,

I am offering lunch with me as an incentive for the children to read and practice x math facts during Thanksgiving break. I know that we all look forward to rest and relaxation during break, however continuing with routines of math and reading practices will help make the transition back to school a lot easier. This is optional, so if it does not fit into your family's plan, please feel free not to complete the chart.

I recommend practicing 0s, 1s, 2s, 5s, 3s, 9s, and 10s multiplication facts. Some ideas for practicing facts are: flashcards, homemade quizzes, roll dice, use a stack of cards, use dominoes, adults can verbally quiz, visit web-sites (two sites we use are xtramath and EM4).

Thanks for your continued support. If you have any questions, please feel free to contact me.

Sincerely,
Ms. Eldridge
