Room 172 Winter Learning Celebration

Please join us for our **Room 172 Learning Celebration on Thursday, February 15th** from 3:30-7:30 pm. Students will share their learning portfolios at five different stations.

The Learning Celebration is student-led. Your child will guide you through each station to explain in detail the things they have been working on and share their learning.

Families will sign up for a start time to rotate through the stations. Please allow for approximately 50-60 minutes for our celebration and note that other families will be sharing at other stations simultaneously.
