Superheroes

Grade 3
News

► Sand dunes are important to the geological continuation of the beach
► Foot traffic rapidly destroys beach grasses and other growth which retain the dunes
PLEASE KEEP TO ESTABLISHED WALKWAYS

Grade 3 Ecology School Field Trip

Thank you to Jessica Taylor, Ashlie Sewell, Katrina Purington, David Muise, Heather Edwards, and Ryan Edwards for chaperoning our field trip to Ferry Beach State Park!

Third Grade Home Book Bags

Each week, students are bringing home a bag of "just right" or "good fit" books in a gallon size plastic bag. Students may read these books, books from home or the library, or a combination of books from home and school. Please have your child add books they read to their home reading log and return the books at the start of the week with their completed logs, homework packets, and Friday letters. Thank you for supporting their learning at home!
